

Programme

Quality Information for Quality Use of Medicines - QIQUM

International conference

Venue - National Centre for Culture "Kazan" (86 Pushkin Street, Kazan)

Dates: 15-16 October 2010

Opening: 9.30

Registration: 8.30

15 October 2010 (Friday)

9.30-10.00 Opening Ceremony

Welcome to the Conference participants

From the Minister of Health of the Republic of Tatarstan Airat Z. Farrakhov

From the Rector of the Kazan State Medical Academy professor Kamil Sh. Ziyatdinov

From the Rector of the Kazan State Medical University professor Alexei S. Sozinov

From the Rector of the Kazan State Chemical-Technology University professor G. S.Diyakonov

10.00-13.15 Plenary session I

«Medicine information in government policies and regulation of medicines»

Moderators: Kamil Sh.Ziyatdinov, Alexei S. Sozinov, Airat Z. Farrakhov,

10.00-10.05 Conference endorsements

10.05-10.35 Hogerzeil H.V. [Essential medicines and human rights: what can they learn from each other?](#)

10.35-10.55 Seredenin S.B. The importance of receptor interplay analysis for development and rational clinical use of new medicines

10.55-11.15 Discussion

11.15-11.30 Coffee-break

11.30-11.50 Burger E.J. [Effectiveness of therapeutic and diagnostic interventions in medicine](#)

11.50-12.10 Mansfield P. [Are there problems with pharmaceutical promotion? \(Is it influential? Is it harmful?\)](#)

12.10-12.30 Lepakhin V.K., Astakhova A.V. Pharmacovigilance: problems of information provision

12.30-12.50 Khubieva M.Yu. **Pharmacovigilance system in Russia**

12.50-13.10 Lexchin J. [Do those who have the gold make the rules: drug companies and medical knowledge](#)

13.10-13.30 Discussion

13.00-14.00 Lunch

15 October 2010 (Friday)

Symposium I

“Medicine information and society: ethical aspects, problems and international experience”

Moderators: Alexei S. Sozinov, Salavat.Sh.Suleimanov

14.00-14.30 Mansfield P. [What are the underlying causes of the problems with medicine promotion? \(The psychology of persuasion, The economics of marketing\)](#)

14.30-14.45 Sozinov A.S., Gurileva M.E. Conscientious medicine information as an instrument of human rights protection

14.45-15.00 Abakumova T.R. Problems of adverse effects registration in clinical trial patients

15.00-15.15 Suleymanov S.Sh. Medicine information: legal requirements and real practice

15.15-15.30 Discussion

15.30-15.45 Coffee-break and Posters' discussion №№ 1-14

15.45-16.15 Gurbani N.K. Unveiling pharmaceutical promotion by price information to improve access to medicines in Indian State Rajasthan

16.15-16.30 Vlassov V.V. GCP against the Helsinki Declaration

16.30-16.45 Dorofeev V.L. Information function of Pharmacopoeia: world pharmacopoeias

16.45-17.00 Egorova S.N., Yarovikov G.S., Akhmetova T.A. Pharmacy merchandising and rational use of OTC-drugs

17.00-17.15 Karakulova E.V. Information needs of physicians and pharmacists and access to medicine information

17.15-17.30 Discussion

15 October 2010 (Friday)

Symposium II

«Medicine information for sports and healthy life-style»

Moderators: Ramil U. Khabriev, Vladimir D. Mendelevich

14.00-14.30 Kaletina N.I. Kaletin G.I New doping agents and biological passport of a sportsman

14.30-15.45 Mendelevich V.D. International and Russian experience in drug-abuse management: the conflict of methodologies and divergence of evidence-based information

14.45-15.00 Reshet'ko O.V. Risk assessment of OTC and herbal medicines use by pharmacists

15.00-15.15 Discussion

15.15-15.45 Coffee-break and Posters' discussion №№ 1-14

15.45-16.15 Polyayev B.A. Pharmacological basis of professional high achievements sports

16.15-16.45 Menkes D. Disentangling psychiatry from the pharmaceutical industry: an Australasian view

16.45-17.15 Mansfield P. [What is Healthy Skepticism? Our aims, Our history, How we work together now, Hopes for the future, HS Russia](#)

17.15-17.30 Discussion

15 October 2010 (Friday)

Symposium III

«Information on mechanism of medicine action - for quality clinical use»

Moderators: Sergey B.Seredenin, Ramil S. Garaev, Michael Ivashev

14.00-14.30 Kovalev G.I., Firstova Yu.Yu. Nootropic agents: various targets - common effects.

14.30-14.45 Semina I.I., Baichurina A.Z., Garaev R.S. KAPAX: new approach to dementia treatment?

14.45-15.00 Aleksandrovsky Yu.A. Interaction of experimental and clinical psychopharmacology

15.00-15.15 Discussion

15.15-15.45 Coffee-break and Posters' discussion №№ 1-14

15.45-16.15 Ostrovskaya R. U. Development of di-peptide nootropic agent: from idea to medicinal product

16.15-16.30 Gikavy V.I., Gavriluca V.V., Bachinsky N.G. Investigation of hepatoprotective properties of entomologic drugs

16.30-16.45 Garaev R.S., Kashapov L.R. Pharmacological effects of dimephosphome analogues, developed by modification of chemical structure

16. 45-17.00 Zalyalutdinova L.N., Sabirova A.Ya.
Experimental studies of anti-rheumatic properties of lipoic acid

17.00-17.10 Bondarenko D.A., Dyachenko I.A. Investigation of spontaneous motor activity in cd-1 mice with different methods of administration of the "Tiloron" drug

17.10-17.25 Discussion

16 October 2010 (Saturday)

Symposium IV

«Quality of medicine information and professional development of health care providers»

Moderators: Ramil U. Khabriev, Airat U. Ziganshin

10.00-10.15 Ulumbekova G.E. The concept of continuing medical education in Russia

10.15-10.30 Vlassov V.V. New knowledge from systematic reviews: generation, spread, management and use of information

10.30-10.45 Saitkulov K.I., Balkizov Z.Z. Distance learning technologies in continuing professional development of health care providers

10.45-11.00 Ziganshina L.E., Saitkulov K.I., Niyazov R.R. EBM Drug Reference Guide - a new method of medicine independent information delivery (presentation of the first edition)

11.00-11.15 Discussion

11.15-11.45 Coffee-break and Posters' discussion №№ 15-27

11.45-12.00 Blashentseva S.A. Information support of the system of continuing professional development of health care providers

12.00-12.10 Ziganshin A.U. Introduction of information principles of formulary process into curricula of pharmacy students

12.10-12.20 Faizrakhmanov N. F. Detecting and documenting false information on medicines in investigations of criminal offences on the pharmaceutical market of Russian Federation

12.20-12.30 Dresher Yu.N. Information support of scientists and specialists of health system of Tatarstan

12.30-12.40 Janpeisova A.A. , Yeralieva B.A., Yerkinbaeva G.B. On teaching clinical pharmacology in Medical University of Almaty

12.40-12.50 Abdullin I.I., Fatikhov R.R. Information support of clinical decision making

2.50-13.10 Discussion

13.00-14.00 LUNCH

16 October 2010 (Saturday)

Symposium V

“Medicine information in clinical practice”

Moderators: Dmitry A. Sychev, Victor V. Yushkov

10.00-10.25 Sichev D.A., Ignatiev I.V., Kukes V.G.

Pharmacogenetics information in drug use leaflets - is it an action guide?

10.25-10.45 Yushkov V.V., Yushkova T.A.

Analysis of official information for immunomodulators in accordance with the concept of rational use of medicines

10.45-11.00 Schneider N.A., Pilugina M.S., Dmitrenko D.V.,

Shmatova E.N., Erukhalova S.A. Unwanted medical reactions' rate in epilepsy patients treated with anticonvulsants.

11.00-11.15 Kostuleva M.N., Gracianskaya A.N., Postnikov

S.S., Tatarinov P.A., Vaganov N.N., Belousov U.B., Bologov A.A.

Pharmacovigilance in a Russian clinical hospital for children

11.15-11.30 Discussion

11.30-11.45 Coffee-break and Posters' discussion №№ 15-27

11.45-12.00 Gazizov R.M., Ilyina G.M., Nurgatina E.R.,

Sadykova A.K. Long-term treatment effects of xymedon in patients with rheumatic heart disease

12.00-12.15 Yakhin K.K., Gazizullin T.R.

Predictors of individual susceptibility to neuroleptics treatment (atypicals)

12.15-12.30 Scheider N.A., Pilugina M.S., Erukalova S.A.
Individual approach to antiepileptic therapy and clinical anticonvulsant
pharmacomonitoring - the way to the rational use of medicines

**12.30-12.45 Nigmatzyanova A.Z. Pharmacotherapy effects on
progression and outcomes of diseases: correcting mistakes** by clinical
pharmacologist

12.45-13.00 Discussion

13.00-14.00 LUNCH

16 October 2010 (Saturday)

Symposium VI

“Medicine information in clinical practice”

Moderators: Nina B. Sidorenkova; Lubov' N. Shaikhutdinova

10.00-10.30 Menkes D. [Access to health records by patients with severe mental illness](#)

10.30-10.45 Shaikhutdinova L.N. ДControversial aspects of development of pharmacovigilance services at a level of regional HealthControl Agency

10.45-11.00 Vertkin A.L. Formulary system for emergency services: from the traditional cocktail to the modern life-support technologies

11.00-11.15 Discussion

11.15-11.45 Coffee-break and posters' discussion №№ 15-27

11.45-12.00 Sidorenkova N.B. Medicine safety and pharmacovigilance

12.00-12.15 Tsvetov V.M., Ketova G.G., Sychev D.A.
Innovation in clinical pharmacology - bundled software PharmSuite

12.15-12.30 Khafizyanova R.Kh., Aleeva G.N. Theoretical aspects for optimizing quality of pharmacotherapy and health care

12.30-12.45 Batischeva G.A., Batischev S.A., Chernov Yu.N., Logunov V.P., Goncharova N.Yu. Monitoring use of brands and generics in antibacterial therapy at a multi-functional hospital

12.45-13.00 Goncharova N.Yu., Chernov Yu.N., Provotorov V. M., Batischeva G.A. Antihypertensive therapy in people working as operators

13.00-13.15 Discussion

13.15-14.00 Lunch

16 октября 2010 г. (суббота)

Symposium VII

«Synthesis and technologies for development of drug entities and dosage forms»

Moderators: Aidar N Cabirzyanov, Ruslan I. Mustafin, I.F. Falyakhov

10.00-10.15 Фаляхов И.Ф., Гильманов Р.З., Никитин В.Г., Федоров Б.С., Филиппов Ю.В., Хайрутдинов Ф.Г. Синтез биологически активных веществ и лекарственных субстанций на основе производных пиридинового ряда

10.15-10.30 Sabirzyanov A.N. overcritical methods for producing micro and nano forms of pharmaceutical substances

10.30-10.45 Mustafin R.I., Kabanova T.V., Bukhovets A.V., Semina I.I. Unique systems for controlled delivery based on inter-polymer complexes

10.45-11.00 Arkhireev V. P. Synthesis and potential clinical application of domestically produced cryo-protectors

11.00-11.15 Discussion

11.15-11.45 Coffee-break and posters' discussion №№ 15-27

11.45-12.00 Pantukhin A.V., Alipov V.V. Development and comparative pharmacological study of paracetamol suspension

12.00-12.15 Nikitin V.G., Falyakhov I.F., Gilmanov R.Z., Khairutdinov F.G. Development of rational methodology of synthesis of 3-chloro-4-morfolino-1,2,5-thiadiazole – the key product in synthesis of effective anti-glaucoma preparation

12.15-12.30 Yusupova L.M., Guseva Ye.V., Falyakhov I.F., Gilmanov R.Z., Vasutina E.A. Synthesis of a new medicinal agent on the basis of platinum complex of 4,6-dinitro-5,7-dioxibenzofuroxane

12.30-12.45 Pogonya I. N. New enthomologic medicinal preparations

12.45-13.00 Zobov V.V. Mechanism of action of selective choline-esterase inhibitors

13.00-13.15 Discussion

13.00-14.00 LUNCH

16 October 2010 (Saturday)

Plenary session II

«Medicine information in government policies and regulation of medicines »

Moderators: Kamil Sh. Ziyatdinov, Alexei S. Sozinov, Airat Z. Farrakhov

14.00-14.15 Khabriev R.U. Legal aspects of sport pharmacology and anti-stimulant agents: the importance of information

14.15-14.45 Menkes D. Competing interests and medicine information

14.45-14.55 Chuchalin A.G., Chernyaev A.L. Rare diseases

14.55-15.05 Yavorsky A.N. New knowledge about medicines and information provision of the regulatory process

15.05-15.15 Ignatieva N.B. The role of information in quality accessible and timely pharmaceutical care.

15.15-15.30 Discussion

15.30-16.00 Coffee-break and posters' discussion

16.00-16.15 Frolov M.Yu. Clinical pharmacology service of Russian Federation in medicine use regulation on the basis of evidence

16.15-16.30 Khaziakhmetova V.N., Ziganshina L.E. The analysis of acting official medicine lists in the Republic of Tatarstan and the Russian Federation

16.30-16.45 Tilikeeva U.M., Zurdinova A.A. Essential medicines list of the Kyrgyzstan Republic, its role in national programs (anti tuberculous medicines).

16.45-17.00 Hogerzeil H.V. [Access to essential medicines](#)

17.00-17.30 Conference resolution. Young scientists' awards.
Closing.

18.00 - Banquet
